METRO SYSTEM ACADEMY - MSA UTHM

ABOUT US

The Metro System Academy (MSA), UTHM serves as a key strategic initiative for Universiti Tun Hussein Onn Malaysia (UTHM), which is aligned with the university's vision and mission in becoming a **Global Technopreneur University 2030 (GTU 2030)**. MSA UTHM was established through a strategic collaboration between UTHM and Mass Rapid Transit Corporation Sdn. Bhd. (MRT Corp). The academy's facilities are located in Kwasa Damansara, Sungai Buloh, Selangor.

ABOUT ARSCIC 2025

The Annual Railway Summit, Conference and Innovation Competition 2025 organized by MSA UTHM is a premier platform that brings together industry leaders, academics, policymakers and innovators to explore the latest advancements in railway technology, infrastructure and sustainable mobility solutions. This event aims to foster knowledge exchange, showcase cutting-edge research and encourage innovative solutions through an industry-driven competition reinforcing Malaysia's role in shaping the future of railway transportation and connectivity.

WHY ATTEND?

- ◆ Stay Ahead with Cutting-Edge Innovations - Explore the latest advancements in railway and transport technology, infrastructure and sustainable mobility, gaining insights from global industry leaders and researchers.
- ◆ Exclusive Networking Opportunities - Connect with industry experts, policymakers, academics and innovators, fostering strategic collaborations and professional growth in the railway and transport sector.
- ◆ Showcase and Compete in the Innovation Competition - Present groundbreaking research, technological solutions and innovative ideas, gaining industry recognition and potential investment opportunities.
- ◆ Professional Development & Knowledge Exchange - Enhance your expertise through discussing with expert panels, attending technical workshops and listening to keynote sessions led by distinguished railway and transport professionals and thought leaders.
- ◆ Drive Impact and Shape the Future of Railway Systems - Contribute to discussions on policy, sustainability and the digital transformation of railway and transport systems, playing a role in shaping the future of mobility and connectivity.

WHO SHOULD ATTEND?

- ◆ Railway and Transportation Industry Professionals
- ◆ Government Officials & Policymakers
- ◆ Researchers & Academics
- ◆ Transport & Mobility Innovators
- ◆ Students & Young Professionals
- ◆ Investors & Business Leaders
- ◆ Urban Planners & Sustainability Advocates
- ◆ Railway Equipment & Technology Providers
